

Product Information

kobold Havanna Sol

Item No. 320-0108

Compact, high-performance LED luminaire for photo & video applications

- ✓ 10.000 lumens light output
- ✓ Wide power range 27 – 288 fc (2 m with reflector P70)
- ✓ CRI 97 for excellent color rendering
- ✓ Daylight color temperature 5400 K
- ✓ Silent, temperature-controlled fan ensures continuous operation
- ✓ Lighting angle adjustable via optional lenses and diffusers
- ✓ Adapter for most broncolor™ light shaping tools available
- ✓ Durable metal casing for heavy-duty use
- ✓ Best workmanship “Made in Germany”

Technical Data

Power consumption LED:	max. 90 W *
Light output:	10.000 lumens
Color rendering index:	97
Color temperature:	5400 K
Power range:	27 – 288 fc / 290 – 3100 lux in 6,56' / 2m distance (with P70 reflector)
Power display:	LCD
Cooling:	active with low noise fan & passive via casing
Ambient temperature:	23°– 104° F / -5° – 40° C
Mains inlet:	C14
Input voltage:	100 – 240 V AC (50 / 60 Hz)
Connected load:	max. 100 VA
Operating mode:	constant current (flicker-free)
Service life LED:	approx. 50.000 h
Accessory connection:	kobold mount, broncolor™ mount with optional adapter (item no. 714-0010)
Size:	6,89" / 175 mm length, 7,87" / 200 mm width, 5,31" / 135 mm diameter
Weight:	6,83 lb / 3,1 kg

Optional Accessories

- Adapter for broncolor™ reflectors and softboxes Item No. 714-0010
- Diffuser dome for softer shadows and wider light spread Item No. 714-0021
- Reflector lens for optimized light distribution with broncolor™ Para light shapers Item No. 714-0020
- D=65 lens attachment for increased light output and best light distribution with open reflectors Item No. 714-0024

kobold – top quality light for photo, film & events since 1955
